WHITES

CLOS DES LUNES "LUNE D'ARGENT"
BORDEAUX '16 \$48
SEMILLON 70% - SAUVIGNON BLANC 30%

Starting several years ago, Olivier Bernard and the team at Domaine de Chevalier made a strong commitment to Clos des Lunes, an ancient vineyard in Sauternes, among the finest in Bordeaux. Relying on an intimate relationship with the terroir, the ultimate aim is to create one of the greatest dry white wines on the market. Located in Sauternes, on one of the greatest white wine terroirs in France, the Clos des Lunes is a magnificent rolling vineyard planted with old *sémillon* and *sauvignon blanc* vines. On very old vines, some perfectly golden clusters are chosen and delicately sorted grain by grain, by expert hands. The Clos des Lune "Lune d'Argent" 2015, which is matured in 25% barrel and 75% stainless steel, has an appealing bouquet of fresh green apple, citrus peel and just a hint of vanilla originating from the oak. The palate is fresh on the entry with a fine line of acidity.

MACON FUISSE, JOSEPH BURRIER
BURGUNDY '13 \$55

The Burrier family has been living in the South of Burgundy for 500 years, and has owned Château de Beauregard for six generations.

The Burrier family constitute one of the major properties of Southern Burgundy. Its vineyards cover 43 hectares. The vineyards are managed to promote microbial life in the soil and to encourage deep rooting of the vines. In the cellar the wines are allowed time to ferment slowly and to clarify naturally. It is their belief that this method enables the wines to acquire the true expression of their "Terroir".

The Mâcon Fuissé evokes the white flowers and fruits. The wine is rich, structured and well balanced in the mouth with citrus finish.

COMANCHE CELLARS "CEDAR LANE", CHARDONNAY
ARROYO SECO '14 \$46

Michael Simons, Owner Of Comanche Cellars.

"What started as a love affair with wine has turned into a passion for producing small lots of very handcrafted wines from neighboring vineyards. Our tiny (under 1k cases) winery is named after Comanche, my horse when I was ten years old. He was an important part of a young life, and I use his name as a loving tribute to this old friend".

This particular Chardonnay is full of aromas, green and gold delicious apples meld with crabapple, crisp pear, honeysuckle and butterscotch cookies to set the stage for the flavors of apple tart, pear crisp, honeyed cashews and honey biscuits.

The vineyard is nutrient poor sandy cobblestone, and the howling afternoon wind is legend. Several Italian clones – who knew there were Italian clones in Californi

CLOS PISSARRA "LA VINYETA", EL LLOAR, PRIORAT- SPAIN '08 \$85

The name Clos Pissarra is derived from the Catalan word for slate, as this is the soil that covers the regions of Montsant (sacred mountain) and Priorat (priory), that lie about 85 miles southwest of Barcelona. Priorat has quickly established itself as the premier wine region in Spain producing wines of great intensity and concentration but yet remaining elegant and balanced.

La Vinyeta (meaning "The Vineyard" in Catalan) is about 2.5 acres. It lies in the town of El Lloar in Priorat. This is a classic Priorat "coaster" or an extremely steep vineyard that is not terraced and is full of slate with almost no topsoil. The vineyard is planted approximately (as it is a field blend) to 80% Carignan (Samsó) and 20% Grenache Garnatxa, vines that are over 125 years old vine and are not irrigated as is the case with all our vineyards in Priorat and Montsant! Yields are a miserly .4 tons per acre! In this rugged land, a throwback to another century, the vines really get to know the meaning of struggling. **50 cases produced.**

J. WILKES PINOT NOIR SANTA MARIA VALLEY '13 \$62

Jeff(erson)Wilkes was a winegrower and a wine grape salesman at Bien Nacido, Solomon Hills Vineyards in the Santa Maria Valley as Well as French Camp Vineyard in Paso Robles for 20 years (1981-2001). Jeff launched his 'J.Wilkes' label in 2001, focusing on Santa Maria Valley Pinot Noir, Pinot Blanc and Chardonnay, and made his last wine in 2010 before his untimely passing late in that same year. Soon after, the label was relaunched as a tribute to Jeff's unwavering love of the Santa Maria Valley, his commitment to value and quality, and later as a vehicle for blending AVA wines that show the best of the Central Coast and our diversity of meso-climates..

This Pinot Noir as a fabulously complex nose that will remind many drinkers of a Cote de Beaune wine. A nice balance of ripe black berry fruit, tart red fruits and loamy earth dominate the aromas in the glass. On the palate again, reminiscent of a young Burgundy wine from the Cote de Beaune, a tight-lipped young man concealing his character for the future. **254 cases produced.**

LAIRD, CABERNET SAUVIGNON YOUNTVILLE - NAPA VALLEY '12 \$99

Laird is the largest grape grower in Napa Valley with over 2,200 planted acres and 42 vineyards. Laird sells fruit to Duckhorn, Rombauer, Cakebread, Nickel & Nickel, Merryvale, Chandon, Paul Hobbs, Chateau St. Jean, Lewis, and Luna among over 60 top Napa wineries since 1970.

This 100% Cabernet Sauvignon is a duet of their favorite two vineyards: 50% Flat Rock Ranch, the most critically-acclaimed block, for its juicy and vibrant approachability, and 50% Mast Ranch for its earthy, tannic structure. Both single vineyard designates of the Yountville Appellation, these vineyards possess a cross section of geomorphic and micro-climate idiosyncrasies poised to produce a Cabernet Sauvignon of approachable refinement.

HALF BOTTLE

WHITES

We are very proud of our collection of half bottles. The producers that you see on this list are committed to the highest quality possible and believe, as we do, that the half bottle allows the drinker to experiment and indulge. They are a great alternative to our by the glass selection as they serve roughly two glasses.

MIURA COLLECTION

PINOT NOIR

PISONI VINEYARD PINOT NOIR, SANTA LUCIA HIGHLANDS '12 139

*This particular property has become the most talked about Pinot Noir property in California for good reason. The wines from this vineyard have an intensity and richness unmatched by any other Pinot Noirs anywhere. The vineyard is tucked among the hills and dry creek beds of the southern part of the Santa Lucia Highlands in Monterey. The blocks are whimsically named after people, objects and family members– “Camper,” “Mommy’s,” “Elias,” to name a few (Miura grapes come from the “Camper” and “Hermanos” sections. The intensity with which this vineyard is farmed is unmatched in the Highlands, or anywhere else for that matter. **435 cases produced.***

TALLEY VINEYARD PINOT NOIR, ARROYO GRANDE '10 99

*The Talley Vineyard lies in Arroyo Grande Valley in the southern part of San Luis Obispo County. Miura’s two acre parcel of Pinot Noir is in the West Rincon block and is on a gentle east facing slope, on a fairly light clay loam (probably a mixture of marine and volcanic material). Planted to two different clones, one of which is an early maturing, light bearing so called “Dijon” clone. The other is an older, slightly later maturing clone named “Pommard”, after the village in Burgundy where it was originally selected. This is the finest Pinot Noir property in the southern part of the Central Coast of California for many sommelier. **370 cases produced.***

ROCHIOLI VINEYARD PINOT NOIR, RUSSIAN RIVER VALLEY '12 115

After 10 years of pestering Joe and Tom Rochioli Emmanuel Kemiji M.S. finally received the call that I had won the lottery! For him the Rochioli Vineyard has always been ‘THE’ vineyard in Sonoma County and one of the few vineyards in California that he would term ‘Grand Cru.

*While we only received a ton and a half of fruit (but were extremely grateful!) the wine shows the hallmarks of this iconic Russian River Valley property. Full of red currant, black cherry and spice, the wine exhibits great richness and length. **Until the 2013 Vintage Miura was not allowed to put the name of Rochioli on their label, Joe and Tom Rochioli wanted to make sure that the quality of the Miura wine will be perfect before being able to use the name of this famous vineyard. After three years they both agreed that from 2013 Vintage it will be Miura Rochioli Vineyard. In 2010-2011-2012 the Vineyard used for this wine come from The Rochioli Sweetwater Block.. 83 cases produced.***

WILLIAMS RANCH VINEYARD PINOT NOIR, ANDERSON VALLEY '12 129

*This vineyard belongs to Burt Williams of Williams & Selyem fame. After Burt and Ed Selyem sold their winery in 1997 Burt decided to buy a hillside parcel and planted it in 1998. There are wonderful clonal selections to work with, including Pommard, Dijon 115 & 777, a Pinot selection from the Rochioli Vineyard and an old DRC suitcase selection. The fruit exhibits great aromas of cherry and wild berries, with full lush tannins that add to the texture. Vibrant acidity completes the picture for Pinot typically grown in this cooler area of the Anderson Valley. The wine here is the most Burgundy-like of all the Pinots made in California, as it is the coolest grape growing region in the state. Lighter, more fragrant and perfumed, with bright red fruit on the palate. The production goes mostly to Williams Selyem Winery (60, %) The stars finally aligned and they were able to get the first sizeable crop from this property in several years, if one can call less than 200 cases sizeable! Drought type conditions meant the berry size was small but created a very concentrated wine. Emmanuel Kemiji’s favorite bottling from this visually stunning property since the 2006. **184 cases produced.***

PISONI VINEYARD

Gary Pisoni has forever changed the way grapes are grown and wine is made in the Santa Lucia Highlands, about one hour south of here. His special French Pinot Noir clones are the most highly prized pinot grapes in California. In addition to his Estate vines, his Garys' Vineyard, with Gary Francioni, also produces stellar Pinot Noir and Syrah. We're proud to feature some of our favorite vintner's expressions of Gary Pisoni's efforts.

Gary Pisoni's own clone of Pinot Noir is affectionately called the Pisoni Clone, but it originally was clipped from one of the most famous Pinot Noir Vineyard in the world—La Tâche, in France's Vosne-Romanée area of Burgundy.

A TRIBUTE TO GIL NICKEL

Gil Nickel was a visionary of the Napa Valley wine industry and the proprietor of Far Niente winery. He was also a gifted nurseryman, champion vintage auto racer, avid motorcyclist and guided missile analyst. While his passions were many, his friends and longtime associates agree that Gil was driven more by his ideals, loyalties, friendships and sense of humor, than his business interests. In the fall of 2003, Gil passed away after a courageous battle against melanoma.

FAR NIENTE CABERNET, OAKVILLE '12 249

Planted on some of the most beautiful, gravelly loam soil in the Napa Valley, the Martin Stelling vineyard uniformly produces wines with supple tannins, bright, forward fruit, and beautiful tannin structure.

NICKEL & NICKEL CABERNET, "C.C. RANCH", RUTHERFORD '12 178

C.C. Ranch sits along the slope of a knoll west of the Silverado Trail. It is planted on well-drained, gravelly loam soil and the climate is ideal for the variety due to warm summer temperatures that mature tannins and ripen fruit.

NICKEL & NICKEL CABERNET, "HAYNE", ST. HELENA '12 178

The Hayne Vineyard is situated in St. Helena at the base of the Mayacamas Mountain, where warm temperatures are ideal for producing sweet, jammy fruit and this vineyard tends to be picked at the beginning of harvest each year.

NICKEL & NICKEL CABERNET, "ROCK CAIRN", OAKVILLE '12 178

Rock Cairn lies near the southern edge of the Oakville appellation, east of Highway 29 and north of the town of Yountville. The dry-farmed site is comprised of deep, gravelly loam with a wadtern exposure.

NICKEL & NICKEL CABERNET, "SORI BRICCO", DIAMOND MTN. '12 178

High in the hills of Diamond Mountain, Sori Bricco spans a wide range of hillsides with different sun exposures resulting in separate harvest dates across the ranch. The soil is composed of a sandy, gravelly loam and the vines tend to be very small as they struggle against the slopes.

BELLA UNION, CABERNET BLEND, NAPA VALLEY '14 170

Located in Rutherford along Bella Oaks Lane—hallowed ground for Napa Valley Cabernet—the 25-acre Bella Union Vineyard is planted to Cabernet Sauvignon, with a small portion devoted to Cabernet Franc and Petit Verdot.

CLOS PISSARRA FEATURE

PRIORAT & MONTSANT

The name Clos Pissarra is derived from the Catalan word for slate, as this is the soil that covers the regions of Montsant (sacred mountain) and Priorat (priory), that lie about 85 miles southwest of Barcelona. Priorat has quickly established itself as the premier wine region in Spain producing wines of great intensity and concentration but yet remaining elegant and balanced. Montsant has found a most comfortable niche, being described as a softer and more approachable version of Priorat, at a great value.

CLOS PISSARRA EL SOL BLANC, GRENACHE WHITE — MONTSANT '15 52

El Sol Blanc is a two and a half acre vineyard that lies in the Montsant region in the province of Tarragona and surrounds the Clos Pissarra winery. This vineyard is named after the brutal sun that besieges the area every summer (“The White Sun” in Catalan). Made up entirely of White Grenache (Garnatxa Blanca in Catalan), the soil is a mixture of clay and slate. **380 cases produced.**

CLOS PISSARRA ARISTAN, SYRAH, GARNACHA — MONTSANT '10 55

Aristan is a five acre vineyard that lies next to our winery. This vineyard is owned by Master Sommelier Emmanuel Kemiji (proprietor of Miura Vineyards in California & Managing Director of Clos Pissarra) and named after his two sons, Aristos and Tristan. Made up entirely of 10-year old Grenache (Garnatxa in Catalan) and Syrah vines on soil that is a mixture of clay and slate. The yields are cut back to a miserly one ton to the acre. **399 cases produced.**

CLOS PISSARRA EL RAMÓN, GARNACHA, CARIGNAN, CABERNET SAUVIGNON, BELLMUNT DEL PRIORAT— PRIORAT '09 79

El Ramon (meaning the one known as Ramon in Catalan) refers to a 6 acre vineyard in the old mining town of Bellmunt in Priorat, owned by Ramon Marco who is our vineyard manager. This vineyard is planted to Grenache (Garnatxa), Carignan (Samso in Catalan) and Cabernet Sauvignon in even portions. It is a trellised and terraced vineyard, very steep, and the only thing you see on the ground is slate (locally known as licorella) as is typical in the region. Yields are typically less than a ton per acre. **342 cases produced.**

CLOS PISSARRA LA VINYETA, GARNACHA, CARIGNAN, EL LLOAR — PRIORAT '09 85

La Vinyeta (meaning “The Vineyard” in Catalan) is about 2.5 acres. It lies in the town of El Lloar in Priorat. This is a classic Priorat “coster” or an extremely steep vineyard that is not terraced and is full of slate with almost no topsoil. The vineyard is planted approximately (as it is a field blend) to 80% Carignan (Samso) and 20% Grenache Garnatxa, vines that are over **125 years old vine** and are not irrigated as is the case with all our vineyards in Priorat and Montsant! Yields are a miserly .4 tons per acre! In this rugged land, a throwback to another century, the vines really get to know the meaning of struggling.. **50 cases produced.**
